Long Table Feast Lunch or Dinner

Fancy a long lunch or a twilight dinner experience that is an amazing tailored one-off experience?

Waterton Hall is a magnificent private historic estate and is the home of **Waterton Hall Wines**. The Hall, historic outbuildings and surrounding vineyards enjoy sweeping views of the Tamar River, Northern Tasmania, 40 minutes north of Launceston in the gorgeous Tamar Valley. The pristine river banks and enchanting boathouse provide the location for this wonderful food & wine collaboration and truly memorable dining experience. Imagine the sun setting as you are finishing a 4 course gourmet dinner with an incredible dessert layer cake matched with the delightfully rare Waterton Hall Viognier. The adjacent stone fire pit forms part of the preparation and cooking providing a back drop of 'theatre' for you and your dining companions along with the lapping water of the soothing Tamar River. *All inclusive lunch or dinner with so many highlights (including east coast oysters, amazing local produce and our beautiful wines of course!) – you do not need to lift a finger, your personal chef and wait staff will do it all.*

Renowned Launceston based caterers **Hubert & Dan** will tailor your food to create a memorable experience all about you and your friends.

Please phone Susan Shannon on 0417834781 or info@watertonhall.com.au to discuss all things Boathouse Dining. It could be your special anniversary, milestone birthday or celebration date. A small wedding would be stunning too, as well as a rehearsal dinner. Perfect for up to 10 guests.

Waterton Hall - Dining at the Boathouse - Terms & Conditions

1. The luncheon or dining experience is suitable for 8-10 seated guests and will be located at the Waterton Hall Boathouse which is at the Tamar River's edge with a walk* down an incline to get there. We would recommend suitable footwear as it is an unsealed trail. This experience is suited to adults as it is near a deep river. *Vehicular access also available if desired.
2. Our vineyard, Waterton Hall, is located at 61 Waterton Hall Road, Rowella in the Tamar Valley, 40 minutes north of Launceston.
3. Catering is by Hubert & Dan Caterers. www.hubertanddan.com.au

5. This Long Table Feast is suited to either a lunch time scenario or a twilight dinner (ie starting at 5.30pm until sunset, noting in Tasmania the sun sets at approximately 8.45/9pm in summer) This is a very pleasant time indeed and watching the sun set over the water is stunning. Whilst there are no guarantees via mother-nature your party can be hosted inside the boathouse with its own slow combustion heater.
6. We appreciate you will be having a great time but we expect the property and the Boathouse location to be left clean, and in good order. Your driver can collect you directly from the Boathouse.
7. No personal property is to be left at Waterton Hall, please make sure you take everything with you when you leave.
8. We hold Public Liability Insurance but we expect our patrons to adhere to a responsible level of behaviour.
9. Please note you are dining near a deep river and be aware of the danger of this tidal river. We enjoy it to look at - not to be in it!

WE WANT YOU TO HAVE A GREAT TIME
